Blue Glass Development, LLC

Providing Proven Experienced Technical Assistance to USAID Programs and Implementers

Blue Glass Development, LLC is an EDWOSB started in 2012 to provide solutions to complex development challenges. With over 20 years of experience in conflict, post-conflict, and transition environments, Blue Glass Development engages at each level of decision maker: executive, ministerial, regional, local and community. Specializing in program management, start-up, stability operations, capacity building, economic development, community development, humanitarian assistance, gender equality and empowerment, and relief and reconstruction, Blue Glass works alongside international partners from the private sector, government and international community.
